

Rocky Mountain Raceways Safety Team Is Hiring For 2018 Season

Safety Team members are responsible for the safety and basic medical needs of all our staff, racers and spectators on the Oval Track, Drag Strip and Motocross Track. We include onsite training in Medical, Fire Suppression and Extrication. Training will also include classroom knowledge and understanding of several types of fuels as well as many types of cars, trucks, motorcycles, etc.

Flexible schedules give you the ability to continue enjoying your summer while earning some extra money. We are hiring EMT-B, Advanced or Paramedic Levels. All new students that have not completed their courses or State exams will still be honored, and applications will be taken. Consideration may be given to applicants without EMT certification.

All openings are for Seasonal, Part-Time positions. The season runs from April thru September with a majority of shifts on Fridays and Saturdays. Preseason training will begin in March. To apply:

Contact Brandon Stone, Safety and Security
Director at bstone@rmrracing.com

Applications available at the facility,

6555 West 2100 South West Valley
